Quality Inclusions

Preliminaries

- **Council and Authorities:** Builder to order all council and authority property information
- **Drafting:** Builder to complete full set of sited working drawings
- **Engineering:** Builder to provide a full set of structural and civil engineering design

NCC 2022 Requirements

- **Shower:** One step free shower recess.
- **Garage:** Single entry point with step free (less than 5mm) threshold between house and garage. Sites requiring a step down to the garage will incur additional cost.
- **Energy Rating:** Builder to provide energy rating report and allowance for 7-star energy rating requirements. Excludes low-e glazing if required, to be charged at an additional cost
- **Electrical:** Includes up to 3kW (single storey) Photovoltaic solar system, with 7 No. solar panels with inverter to meet whole of home requirements.

Building Allotment

- **Foundation Class:** Up to Class H1 concrete slab with fall of land up to 500mm across the length and/or width of the allotment. Excludes concrete bored piers due to existing uncontrolled fill being placed on the allotment. If fill is shown on allotment, a lot specific level 1 compaction report is required, or additional charges may apply
- **Temporary Fencing:** Supply and hire of temporary fencing to site where required to council requirements
- **Silt Fence:** Supply and hire of environmental silt fence to front of property as required by council
- **Rock Allowance:** Allowance of rock excavation and removal. If explosives or core drilling is required, extra charges will apply
- **Termite Treatment:** Part A slab penetration termite treatment & Part B slab perimeter termite treatment (physical barrier)
- **Angle of Repose:** Home to be sited to a minimum of three meters off easement. If sited closer, then additional charges may apply
- **BAL 12.5:** Included if required

CONNECTION OF SERVICES

- Connections are based on an allotment of up to 650 square metres with a maximum five metre front setback to house.
- **Stormwater & Sewer:** Includes connection of sewer and stormwater points within the allotment.
- **Water Connection and Tapping:** Same side 20mm dry water tapping included within the building lot. Excludes wet tapping, larger tapping and/or under road bore where required
- **Power:** Three phase underground power provision (up to 12m)
- **NBN:** Includes NBN basic home wiring network including network hub to garage, cable, telephone points, 1 (no) data point, NBN conduit and connection point. Excludes development contribution application and payment to NBN on behalf of the client
- **Exclusions:** Does not include electricity and telephone connection costs, all consumer account opening fees, and usage charges.

External Features

- **Brickwork:** Builders range clay brick selection to dwelling and garage as per included external colour palettes
- **Mortar Joints:** Natural colour rolled joints to brickwork
- **Render:** Acrylic texture coating render as per plan (design specific)
- **Infills Over Windows:** Brick infills over all windows and external doors
- **Front Entry Door:** 2040mm Builders range Hume SIM XS27 with clear glazing – painted finish
- **Front Entry Door Furniture:** Gainsborough external door furniture including lever handle set, single cylinder deadlock and key in knob entry set to garage access door (design specific)
- **Front Entry Door Frame:** Timber door frame
- **Windows:** Powder coated single glazed aluminium framed sliding windows. Subject to 7-star energy rating requirements
- **Sliding Doors:** Powder coated single glazed aluminium framed sliding doors as per plans (location is design specific)
- **Locks:** Builders range locks to all windows and sliding doors, separately keyed for each dwelling
- **Flyscreens to Windows:** Nylon mesh aluminium framed fly screens to all openable windows
- **Flyscreens to Glass Sliding Doors:** Nylon mesh aluminium framed fly screens to all external sliding doors
- **Eaves:** 450mm wide eaves to front façade with cement sheet soffits (design specific)

Roofing

- **Pitch:** 22.5 degrees
- **Material:** Concrete colour applied roof tiles
- **Fascia and Guttering:** Colorbond® fascia, gutter and downpipes

Structural

- 90mm structural prefabricated pine wall frame and roof trusses with Lifetime Structural Guarantee
- **Party Wall System:** CBMA Firezone party wall system with split trusses over party walls

Ceiling

- 2590mm ceiling height throughout

Insulation

- **Ceiling:** R5.0 insulation batts or similar as per 7-star energy rating requirements, excludes garage ceiling
- **External Walls:** R2.5 insulation batts or similar as per 7-star energy rating requirements, inclusive of wall between main home and studio
- **NOTE:** Wall wrap will be sealed around openings in accordance with energy rating assessor's report. 7-star standard compliant.

Plaster

- **Ceiling:** 10mm plasterboard
- **Walls:** 10mm plasterboard
- **Cornice:** 75mm cove
- **Wet Areas:** 10mm water resistant plasterboard

Internal Features

- **Doors:** 2040mm high flush hinged panel hollow core throughout. Width as per plans
- **Door Furniture:** Gainsborough lever door furniture to hinged doors
- **Robe Doors:** 2040mm high flush hinged panel hollow core doors (design specific)
- **Skirtings:** 67x18mm single beveled primed MDF
- **Architraves:** 67x18mm single beveled primed MDF
- **Door Stop:** Nylon 75mm, white
- **Draft Seals:** Full perimeter draft seals to all entry door frames and internal access door to garage
- **Roller Blinds:** Lovelight single blackout roller blinds throughout (excluding windows with obscure glazing)

Paintwork – Three Coat Application

- **Timberwork:** Haymes semi-gloss paint to internal timberwork and doors
- **Ceilings:** Haymes flat acrylic
- **Internal Walls:** Haymes low-sheen acrylic in one standard colour to all internal walls

Electrical

- **Power Points:** Double power points throughout, excluding single power point to dishwasher, microwave and refrigerator provision (design specific)
- **Internal Light Switches:** Wall mounted switches in white
- **Internal Light Points:** 240V 8W LED white downlights throughout
- **External Light Points:** 100mm 240V white recessed downlight to front entry. Weatherproof para flood lights to all external access points as per plans
- **Telephone Points:** Provide (1 No) telephone point to main dwelling and (1 No) to studio
- **TV Points:** Provide (2 No) TV points to main dwelling and (2 No) to studio
- **Antenna:** Provide digital TV antenna, including booster and splitter box
- **Smoke Detector:** Smoke detectors interlinked to comply with AS3786.
- **Safety Switch:** RCD safety switch and circuit breakers to meter box

PLUMBING

- **Garden Taps:** Provide 3 No. garden taps. One located to the front, one located to the rear of the main dwelling, and one located to the rear of the studio, positioned at builder discretion

Heating & Cooling

- **Heating (Main Dwelling):** Bonaire 3-star gas ducted heating unit in roof space
- **Main Dwelling (Master bedroom):** Reverse cycle split system air-conditioners (1 No. 2.5kw wall mounted)
- **Main Dwelling (Living Area):** Reverse cycle split system air-conditioners (1 No. 7kw wall mounted)
- **Studio:** Reverse cycle split system air-conditioners (1 No. 2.5kw wall mounted). Placement of unit is at builders discretion.

Hot Water Systems

- **Hot Water (Main Dwelling):** Rheem 160 litre solar water heater with continuous flow booster. Please note: Solar collector panel and storage tank positioned at the Builders discretion
- **Hot Water (Studio):** Rheem AmbiPower electric heat pump hot water service to studio, size and placement of unit is at builders discretion.

Kitchen Appliances And Fittings

Simonds Homes reserves the right to substitute the make, model or type of any of the above products in the event that Simonds Homes changes suppliers, or due to the product being unavailable or no longer compliant. Inclusions must be read in conjunction with standard house design plans.

Terms and conditions

- [1] Simonds reserves the right to adjust the contract price, under the terms and conditions of the building contract (and any other document) including:

Where you have not provided essential information to Simonds (including proof of ownership, unconditional financial approval or any other documents required to progress construction) within the time period stipulated under the building contract;

When an adjustment to the contract price is required for reasons outside of Simonds' control (including for any requirements of a statutory authority, developer and/or any other third-party rights);

When variations to the inclusions or specifications have been requested by you; or

Where you are in breach of the terms and conditions of the building contract.

With respect to house and land packages:

Simonds is only responsible for the building contract and does not accept any liability associated with the purchase of land;

You are required to enter a separate contract for the purchase of land (being the subject of the building contract) with the relevant third-party;

House and land package prices do not include stamp duty, legal fees or other costs charged in respect of the purchase of the land; and

Simonds reserves the right to withdraw a house and land package, at any time, without notice.

- [2] Any date provided by Simonds, concerning the commencement and completion of work under the building contract must be read in conjunction with the terms of the building contract (and any other document considered by Simonds as ancillary to the operation of the building contract).

Simonds reserves the right to push back any date concerning the commencement and completion of work under the building contract, subject to the terms and conditions of the building contract.

- [3] The Simonds Lifetime Structural guarantee is subject to terms and conditions including eligibility criteria. Please see <https://www.simonds.com.au/vic/terms-conditions> for more information.
